30 Hour Reciprocity

OSHA-30 Hr. Card Holders

- SSTA will grant reciprocity to OSHA 30 hr. card holders who successfully pass the SSTA 15-Hour CFR 1926 Exam.

- A successful test score is 90% or higher.

- Your current OSHA 30 Hour Construction/General Industry Outreach card must have been issued within the last 3 years, and a copy of the card needs to be submitted to the SSTA office.

- An exam grade of 90% or above validates that you meet the qualification of the SSTA Training Program. You will be issued an SSTA card that is good for 3 years from the issue date of your OSHA 30 Hour card.

- If you do not obtain a 90% or better on the exam you will be required to complete the full 15 hr. SSTA course.

- *SSTA reserves the right to either grant or deny* reciprocity.

Code of Ethics

This code provides standards of ethical conduct for 'Southwest Safety Training Alliance Inc. (SSTA) approved Instructors' as they agree to follow the guidelines' established by the SSTA Board of Directors. Our reputation for quality and high standards can be maintained only by honest and ethical dealings.
